

LOOKOUT

FOR MOTORHOME GUESTS

# Leave the rig. Take a car.

Your camp stays put. A local car is waiting in this gateway town.

HOW A LOOKOUT DAY WORKS

# Park once. See the park.

## 01

### Leave camp set up

The motorhome stays on the pad. Awnings, chairs, hookups — all of it.

## 02

### Pick up a local car

Daily drivers, 4x4s, vans — whatever is listed. Keys from someone who lives in town, not a counter.

## 03

### Drive the park. Come back.

Unlimited miles. Return the car to town. Dinner is still where you left it.
